CUB SCOUT PACK 258

ANNUAL PHOTO & MEDIA RELEASE AUTHORIZATION

Parent/Guardian Authorization: By signing below, I certify that I am the parent or legal guardian of the Scout listed. I grant Cub Scout Pack 258 and its authorized adult leaders permission to photograph, record, or otherwise capture my Scout during Pack or Den meetings, outings, service projects, ceremonies, and other Scouting activities. I authorize those images, video, and audio recordings to be used for Pack-related communications and promotion, including newsletters, email, Pack websites, social media, recruiting materials, displays, and similar Scouting-related publications, without compensation.

Privacy: The Pack will make reasonable efforts not to publish a Scout's full name, personal contact information, school, address, or other sensitive identifying information with a photo unless separately authorized. A parent/guardian may withdraw future permission by providing written notice to Pack leadership; withdrawal will not require removal of materials already published or distributed.

Signing below indicates consent for the 2026-2027 Scouting year. If you do not consent, do not sign this sheet and notify the Cubmaster.
