Scouting America
Monmouth Council

We are excited to announce the Monmouth Council Membership and Volunteer Incentive program for 2025-2026.

Monmouth Council recognizes that cost may play a role in preventing youth and Volunteer adults from joining our Scouting program. To alleviate this concern, the Council Board approved a program to subsidize certain fees related to any new pair of youth Cub Scout/Scouts BSA, and adult volunteers. All that is required is the completion of registration forms for youth and adults, along with the tear-away section below.

As members of the Monmouth Volunteer core, as well as lifelong Scouters, Eagle Scouts and parents of Scouts, we understand the Values of the Scouting Program and the commitment necessary from trained Leaders and Volunteers to deliver quality experiences to our youth.

Please take this opportunity to help us expand our membership, but more importantly provide an experience of a family friendly and skilled program for your children. There is currently no expiration period for this incentive, but it is limited to new joiners, youth and adults, for their first Program year.

To qualify for the **waiver,** submit a fully completed youth and adult paper application including Safeguarding Youth Training certificate. A $52 **rebate** will be issued when the accompanying adult paper application is completed and submitted within seven days of the completed youth paper application.

To recap - If a new youth joins the Cub Scout or Scout's BSA program and a parent has opted to be a youth facing volunteer in the Unit, the following discounts will be applied for their initial year registered:

1. ***New*** Volunteering parents will have their adult $80 fees waived/rebated ($65 membership + $15 Insurance)
2. ***New*** Cub Scout or Scout BSA Members will have their $52 Council Service fee waived/rebated.

***Please note the waving/rebating of service fees applies to only 1 child per household and parent along with commitment from the adult leader to complete no-cost training and volunteer for the entire Program year.*

Yours in Scouting,
Robert Kee - Council Commissioner
Jeffrey Rumen – Vice President, District Operations
Anthony Buccigrossi – Vice President, Volunteer Development

These are the defined youth facing positions: Please circle one
Den Leader, Cubmaster, Assistant Cubmaster, Committee Chair, Scoutmaster, Assist. Scoutmaster
